

Winter Rally/Club Event & Social Gathering

15th January, 2012 - Headley

For January 15th, 2012 we will be meeting at the Holly Bush at 12 noon and then onto the Church Centre which has been booked at a very reasonable cost.

Nearer the time we will be asking you for confirmation that you can come. Last year the Lunch was just under £10 and then many of you brought cakes for the tea and that worked very well.

You may remember this last January Clive Brown and Phil Potter conducted a very good quiz and the committee will be discussing the format in two weeks time.

One item that we do know is that David Hassard will kindly provide us with a very interesting insight into the early days of Trojan.
