## 15<sup>th</sup> January 2012.

The day dawned bright and clear with no rain, this compares to last year when intrepid Members had a real fight to get to Headley and made it !

By 1000 am members of your committee had started a meeting at Fulford and had finished by 1145 am. Not had and then to the Hollybush where some 20+ enjoyed an excellent meal. Full Roast + apple crumble and custard and coffee for £12 !

The Hall venue had to be changed due to a double booking and by 1400 hrs or before we were all assembled in Lindford

Village Hall which is brand new for David Hassard's talk on the Aircraft Factory at Ham. David knows his subject intimately and he held us spellbound for an hour. There is a lot of Trojan History which Don Williams had reproduced in his booklet some time ago.

David was warmly thanked by all and presented with a Trojan 50th. Anniversary pin which was modelled on the same pin as was given to each Trojan employee. Although I think it was Roly who never received one.

Before the start of David's talk the first part of Phil Potter's Trojan quiz took place and then the second part after David Hassard's talk. There were 55 questions and Helen was the winner of a well deserved book of 365 pub walks (!) with 55 points. That must be a record of some kind.

The heads and tails raffle was won by John Price with a very close runner-up of David Vincent who won it last time !

An excellent tea followed and everyone helped to clear up and we were on our way by 1630 hrs.

A good day much enjoyed. **Carl Tantum**

*Grateful thanks to Bob Adams who snapped the imagery of the event for posterity !*
