

Trojan Owners Club 2017 Norfolk Rally Saturday 10th June, 2017

The Charles Burrell Steam Museum, Minstergate, Thetford, Norfolk. IP24 1BN

This museum, housed in Burrells original paint shop, tells the story of the Charles Burrell Works – a Thetford business that once employed 350 people and supplied beautiful and reliable steam-powered engines throughout the world, now running solely from donations and support from the Trustees and Volunteers. Burrells built traction engines, agricultural machinery, steam trucks wagons and tram engines, thriving until the internal combustion engine took over from steam power. Displays include fine engines and agricultural machinery alongside recreations of parts of the original works such as the foundry and the machine shop.

Invitation to Members of the Trojan Owners Club, family and friends to attend the 2017 Norfolk Rally.

Whilst times are yet to be confirmed/announced but the day will involve meeting at and visiting the museum, followed by lunch at

The Bell Hotel and possibly popping along to the nearby Dad's Army museum.
