

Trojan Owners' Club TROJAN GATHERING SUNDAY 8th SEPTEMBER 2019

Once again we are able to meet at Bruce Young's excellent facilities at Defford. Defford is near Worcester and the M5/M50 junction, hopefully convenient for lots of Trojan members. Both venues below are very close to our start venue at Bruce's.

Our day will consist of joining other Vintage and Classic vehicle enthusiast at Toddington Station (Gloucestershire and Warwick Heritage Steam Railway), for their Classic Vehicle Day, always very popular. We are able to reserve tables for lunch in the Flag and Whistle café.

If our attendees book in by Thursday 15th August they will receive a return train ticket worth £20 to use on the day! We will be also able to park in a prominent predetermined parking space.

Later in the day we will travel with our vehicles to... Stanway Jacobean House and Gravity fountain and gardens for Afternoon tea, again ideally we will need to advise numbers that will be joining the party!

I will confirm the day's timing towards the end of August, but we can arrive any time from 9.00 am at Bruce's.
