

TOC Devon Rally with the Devon Vintage Car Club, Ringmore, 30th June – 1st July 2012

Come and enjoy the delights of rural South Devon! Adrian and Judy Bull who now live at Barnford, (previously the home of Sir Douglas Hall, where we used to meet in the 1990's) have very kindly made their paddock available for the weekend. There will be plenty of space for Trojans. If possible please leave your trailer elsewhere. Please arrive between 2.00pm and 3.00pm on Saturday for tea. You may then wish to stroll through the village or down to the sea or just catch up and talk Trojans. Supper will be available at a nearby Inn in the evening at 7.30pm.

At 9.00am on Sunday we will gather again at Barnford paddock with some members of the Devon Vintage Car Club who will join us for the run. Also we hope that people from the village will come and admire the cars before you set off on a run of about 30 miles at 10.00am. The run will be through some of the most beautiful South Hams countryside and finish for lunch at a nearby pub. The hills will not be too steep but some of the lanes are narrow; so please do make sure your car is in good fettle!

After lunch those who must will depart for home whilst others may wish to linger a little longer and enjoy the dramatic cliff walks, the deserted beaches and the splendid scenery and peace of this area. **You are strongly advised to bring OS Map 202.**
