

## **TROJAN OWNERS' CLUB HAMPSHIRE RALLY**

This event will be held on Sunday 7<sup>th</sup> September 2014 meeting from 11am onwards.

The Trojan Owners' Club invites you to a rally in the south of the County. Hopefully, it will be something a little different as we shall be visiting HMS Alliance and the Submarine Museum in Gosport. The Committee have agreed that this event will be subsidised by the Club for members and their partners.

Lunch will be available in snack form on site or a lunch will be available at Hardy's restaurant a short walk away.

Please let me know in good time if you are intending to come along as I need to arrange the lunch venue and the guided tours on board the newly restored submarine, which I am told is excellent. Ideally groups of 10 are best. We will also have preferential parking in front of the submarine for Trojan vehicles away from the public car park.

I look forward to seeing as many of you as possible on the day.

Regards,

Steve

---
